

## BIOGRAPHY

in /ehsanwaheed

I am an energetic, ambitious person who has developed a mature and responsible approach to any task that I'm able to undertake, or any particular situation that may be presented to me. Also I'm a person who can work independently and also have the ability to work in a team. I am currently at Huddersfield University and is studying BSC Computing and is interested in going into the vast field of Cyber Security. Having the determination to learn and expand my knowledge in respect of all areas of any role that is chosen. I am a firm believer that career enhancement does not end and I continually seek ways for improvement.
